

Violle

131SFL

An exceptionally elegant collection of high-class office armchairs designed by ITO Design studio. The sophisticated profile of the aluminium frame of the backrest which together with the armrests creates a form with interesting geometry. It is our iconic product that, depending on the configuration, fits into the spaces of various stylish workplaces.

Collection features:

- innovative synchronous mechanism equipped with essential, easily accessible adjustments which are fully integrated with the seat
- multigrip armrests with soft pad
- backrest with mesh or upholstery and available with lumbar support, height and depth adjustable, upholstered headrest and jacket hanger
- function instructions also in Braille
- plastic and aluminium parts available in several colours (white, light grey, graphite and black)
- also available in a conference version on a four-star aluminium base
- Blue Angel certificate - confirms that our chair is environmentally friendly
- Möbelfakta certificate - a guarantee of durability, safety, environmental care and social responsibility during the production process
