

Action

110SFL

Action is a managerial armchair, which provides both great comfort and optimal positioning for the body, with a durability up to 150 kg confirmed by the GS certificate. Features such as smooth adjustment of backrest and seat angle, lumbar support adjustment and adjustable armrests contribute to this armchair exceptional ergonomics. A distinguishing feature of the model is wide and adjustable headrest – a solid support for a user's head and neck. The form of the chair is highlighted by the use of aluminum elements which shape its slightly industrial character.

Collection features:

- Synchro mechanism activation (6 locking positions),
- lumbar support adjustable in height and depth,
- height and angle adjustment of armrests, – a durability up to 150 kg confirmed by the GS certificate,
- two types of backrest mesh - or upholstered
