

Lotus — Lotus is a plastic single-shell frame with integrated armrests and an upholstered seat. Lightweight and all-embracing, it is available in various colours and in a choice of two bases: a 5-spoke base with castors or a trestle base. The backrest features an original pattern created with small perforations that offer a high level of breathability and add special lightness to the design.

Lotus

PCON.PLANNER

It will be possible to configurate our model Lotus by using pCon.planner program for the design of 2D an 3D environment.

pCon.planner allows to design working solutions in a fast and intuitive way, creating "realistic" images with advanced features, with a considerable saving of time and resources.

It is easy to start using pCon.planner: after downloading the software in the proper page, it is possible to download pCon. catalog, the practical online catalogue of products ready to be set up according to anyone's need, and then include the products in the projects.

For more information on the use of pCon. planner and the access to the products of the SitLand's catalogues, please contact com@sitland.com

WARRANTY

Lotus has 5 years warranty.
For any further detail, please contact Sitland's customer service at service@sitland.com

MORE INFORMATION

Sitland spa reserves the right to make modifications and improvements of a technical or aesthetic nature to the products at any time without notice.

Photos and colours shown are used for reference only and may look different in reality.

Please refer to the Price list in force and to the General sale conditions for the colours and the combinations available for every single product.

For any further information, please contact our Customer Service at service@sitland.com
